rather than be forced to submit to the indignity of being paraded by the Punishment Officer in this condition. So salutary would have been its effect that at the least they would have scrupulously avoided committing any transgressions serious enough to warrant this 'nude humiliation' treatment devised by the Director of the Academy, Dr N.Z. Weltschheim. But once again we were granted a sharp insight into the unusual mentality of this beautiful, wayward girl being disciplined in front of us.

As soon as she had recovered from the initial unbearable agony of her twelve-stroke caning, Antonia
